

How Did We Get Here?

A ROADMAP TO THE LOCALLY PREFERRED ALTERNATIVE

In order to become a truly **LIVABLE COMMUNITY**, improved transit options are needed to **LINK ACTIVITY CENTERS** together and to the rest of the city. Transit will improve mobility, support sustainable growth and revitalization, and **ATTRACT ECONOMIC DEVELOPMENT**.

Central Omaha TRANSIT
ALTERNATIVES ANALYSIS

metro

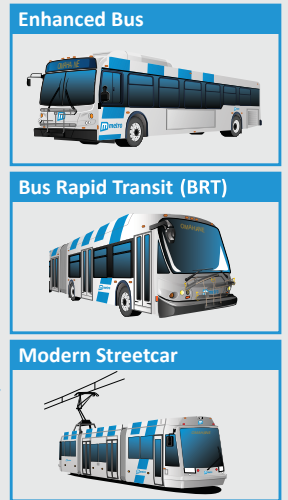

It all started with a

STUDY AREA,

ALIGNMENTS & TECHNOLOGY & OPTIONS

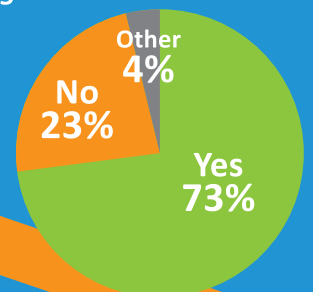

we solicited
PUBLIC & STAKEHOLDER INPUT

WHAT YOU SAID:

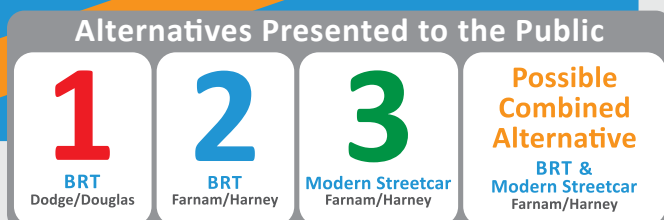

- Improved transit will help Omaha grow.
- More multi-modal options and connections are needed.
- Current transit improvements should be expandable to other areas of Omaha and Council Bluffs.
- Transit needs to work within budget constraints and maximize the investments made.
- Transit should be sustainable and compatible with the current land use and economic goals.

Do you think a combined alternative should be considered?

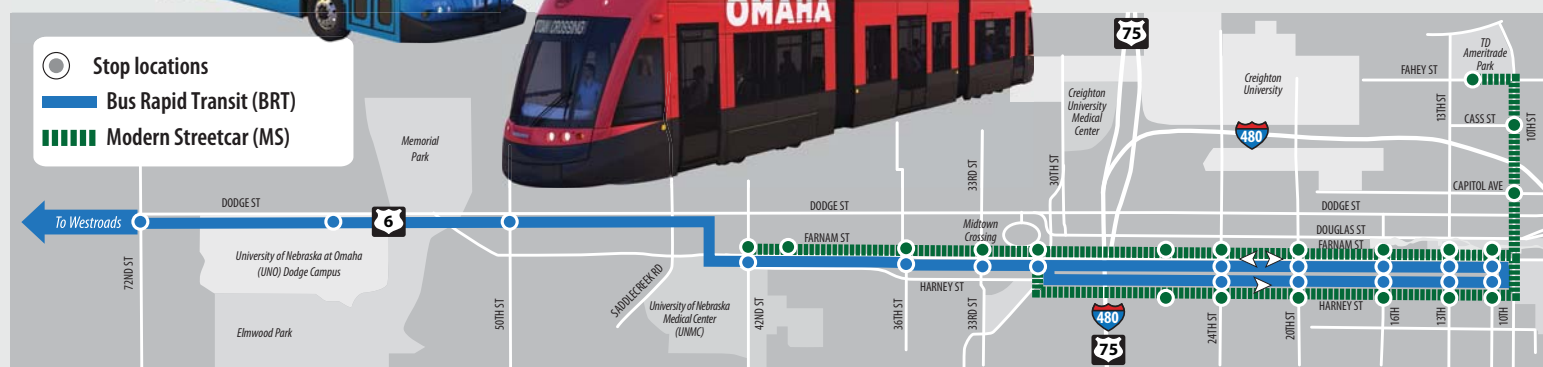

ROUTES & TECHNOLOGIES

were refined

and a **LOCALLY PREFERRED ALTERNATIVE** was identified.
